

DIVISION II—WATER RATES

38-3-78(A) INSIDE VILLAGE: TAP-ON FEES. Applicants for 5/8" or 3/4" water service shall pay a charge of two hundred fifty dollars (\$250.00) for each connection or tap-on to the water mains of the Village for properties not now connected or tapped-on to the water mains, whether presently constructed or to be constructed. All such connections shall be made under the supervision of the Village and in such manner as the Village may direct through its duly authorized employees. All cost for excavation and labor for the tap-on shall be borne by the Village. For meters larger than 3/4" the tap-on fees will be the actual cost of installing the meter and appurtenances. Other installation fees include the following: copper setter for three hundred dollars (\$300.00), box lid for two hundred dollars (\$200.00), corp stop for one hundred fifty dollars (\$150.00), and 4" or 6" saddle for one hundred fifty dollars (\$150.00).

(B) OUTSIDE VILLAGE: TAP-ON FEES. Applicants for 5/8" or 3/4" water service shall pay a charge of one thousand dollars (\$1000.00) for each connection or tap-on to the water mains of the Village for properties not now connected or tapped-on to the water mains, whether presently constructed or to be constructed. All such connections shall be made under the supervision of the Village and in such manner as the Village may direct through its duly authorized employees. All cost for excavation and labor for the tap-on shall be borne by the Village. For meters larger than 3/4" the tap-on fees will be the actual cost of installing the meter and appurtenances. Other installation fees include the following: copper setter for three hundred dollars (\$300.00), box lid for two hundred dollars (\$200.00), corp stop for one hundred fifty dollars (\$150.00), and 4" or 6" saddle for one hundred fifty dollars (\$150.00).
